Hi Cairo,

Below are two locations of Sanitation trashcans that might be better utilized at the southwest corner of Wilshire & Normandie near the Carls Jr. and the Metro Station.

1. Photo one is of a can at 3050 Wilshire Blvd near Wilshire Place. There is not much foot traffic there.
2. Photo two is of a can on the southeast corner of Western & 6th. There is very light ped traffic in that area as compared to the southwest corner Wilshire and Normandie.

I will look for others that may be better examples.

Thank you,
Mike Russell
